

### Louis XVI Style Dining Table

A classic Jansen-inspired, Louis XVI style dining table made to expand as needed, with six turned and fluted legs fitted with brass sabots and collars; the legs arranged with four on the perimeter and two at the center that support table when expanded; the leg blocks inset with brass mounts. Shown here with brass molding mounted to the top edge and to the bottom apron edge .

This model allows for many custom design elements, beyond overall dimension, shape and finish.

Table is made to order, custom version available upon request.
