BEAULIEU PALM POST BED

Inspired by 19th Century Italian carvings, the Beaulieu Palm Post bed adds an sophisticated elegance to any space. The posts are each meticulously handcarved by our New England based artisans with stylized palm tree motifs and balanced by the generously upholstered headboard and rails. This design is made to order in any dimension, finish or post arrangement that best suits your client's taste and design aesthetic. The bed frame is engineered to travel as separate elements which are assembled on site with bed bolts that are permanently mortised into the post blocks, resulting in a durable and sturdy bed.

Custom COM and finishes also available.
