

COLE PORTER DESK

Inspired by the iconic etageres designed by Frederick Victoria for Billy Baldwin and his client, Cole Porter, the Cole Porter desk incorporates the signature elements of that design in a desk with flexible functionality. The drawers and cabinets float suspended under the desk top and within the metal framed structure.

Custom dimensions and finishes also available.

Model R801DESK

Dimension 65"W x 28"D x 30"H

Material Wood, Brass, Parchment
